

Nudura Manufacturing & Warehouse Facility

a **NUCOR** company

LOCATION

Coaldale, Alberta

SIZE

103,360 sf

WALL SYSTEM

Nucor Accent Wall™

ROOF SYSTEM

Nucor CFR™ Standing Seam Roof

NUDURA is now the leading insulated Concrete Forming systems in the world. This facility includes manufacturing, warehousing, and offices. Covered with a CFR™ roof, this building features a perimeter parapet to accent the office appearance.

The warehouse features an 8 bay loading dock and a 2 bay receiving area. The project was designed using an expandable rigid frame endwall to allow easy expansion in the future.
